

HUNGER BAG PROJECT by the Dances of Universal Peace Tempe Circle

The Dances of Universal Peace bring us joy, ease and a deeper sense of our inter-connectivity with others. Naturally, we want to share these benefits by putting our prayers and good will into action.

Please consider as a practice of generosity bringing any of these items to place in our food/water donation box on our table by the door.

Inspired by UMOM*, with your donations of small, non-perishable food items, we will assemble bags to carry in the car to hand out directly to the homeless and hungry on our Valley streets.

You can think of bringing these items instead of placing money in our donation basket. Of course, your monetary donations to help pay for our space and promote the broader work of the Dances of Universal Peace are always most welcomed and appreciated.

Thank you! Shivadam, Phoenix Area Dances of Universal Peace
